Reflection Questions

- God's name is not mentioned in Acts 20:7-12 but God is certainly an actor. What is God's roll? What does this say about God's character?
- Some have called Eutychus, "*the first victim of the Church.*" What are some reasons people fall away from the Church? What actions OR inactions by the Church can drive people away?
- How might you be like Paul in your own life? How might you run toward those who have fallen? How might you breath life and extend love?

Writing Prompt

Name someone who is falling away from the Church, away from community, or away from a place of belonging. This can be someone you know personally or someone representative of a larger group. In the space below, write a prayer to God on their behalf.
