

Get Well Soon Bandaid Cards

Scroll through all of the pages to pick your favorite one.

Here are several versions of this card design.

MATERIALS:

- Paper (printer paper, cardstock or construction paper)
- Glue
- Scissors if you cut the balloons out
- 1 bandaid
- Markers or crayons
- Permanent marker or ink pen
- Googly eyes (optional)

DIRECTIONS:

1. You can cut your paper in half to make a one-sided card, or you can fold it in half to make a regular card.
2. Stick the bandaid somewhere on the front of the card. Leave enough room around the bandaid to draw or attach the balloons.
3. Draw arms and legs on the bandaid and draw the balloon strings in one of the hands.
4. Attach the googly eyes or draw eyes on the face of the bandaid. You can also draw a mouth.
5. Draw or cut out the balloons and attach them to the top part of the balloon strings.
6. Write Get Well Soon on the balloons.
7. Sign your name on the card.
8. If you make a card that opens to an inside page, make sure to include something on the inside.

MATERIALS:

- Paper
- 1 bandaid
- Markers
- Googly eyes (optional)

DIRECTIONS:

1. You can cut your paper in half to make a one-sided card, or you can fold it in half to make a regular card.
2. Attach the bandaid.
3. Decorate the bandaid with arms, legs, a face, and hair. You can use googly eyes if you have them.
4. Draw hearts around the card.
5. Write Feel Better Soon! on the inside of the card.
6. Sign your name on the card
7. If you make a card that opens to an inside page, make sure to include something on the inside.

MATERIALS:

- Paper
- 1-2 bandaids
- Finger paints
- Markers
- Googly eyes (optional)

DIRECTIONS:

1. You can cut your paper in half to make a smaller one-sided card, or you can fold it in half to make a regular card.
2. Stick the bandaids onto the paper. The bottom section of the page works best so that you have enough room to create the fingerprint balloons.
3. Draw arms, legs, and a face on the bandaid.
4. Draw balloon strings starting at the hand of the bandaid character.
5. Use stamp ink pads, or kid-friendly paint and create fingerprint balloons on the balloon strings.
6. Write a get well soon message somewhere on the card.
7. Sign your name on the card.
8. If you make a card that opens to an inside page, make sure to include something on the inside.

MATERIALS:

- Paper (printer, cardstock or construction)
- Band-aids of various sizes
- Ink pens or permanent markers
- Googly eyes (optional)

DIRECTIONS:

1. You can cut your paper in half to make a smaller one-sided card, or you can fold it in half to make a regular card.
2. Stick your band-aids to the front of your card.
3. Draw faces, hands, and legs. (Shoes and hair are fun too.)
4. Write get well soon messages.
5. Sign the card.
6. If you make a card that opens to an inside page, make sure to include something on the inside.
